

Primary Spanish Distance Learning Plan

Week Five: April 27 – May 1, 2020

Queridos niños:

It is a joy to join your class communities via Zoom. I have enjoyed singing, reciting poems and reviewing vocabulary with you, and I look forward to doing it again this week.

This week we are going to learn a song about the parts of the body, “Todo mi cuerpo”. As we sing, the children should stand and touch each body part as it is mentioned. This movement will help reinforce Spanish vocabulary as we sing together. Practice this song at home by watching [this video](#) below and following along with the lyrics below.

I hope you enjoy the song!

“Todo mi Cuerpo” Lyrics

Cabeza, brazos, piernas y pies	Head, arms, legs and feet
Piernas y pies	Legs and feet
Ojos, orejas, boca y nariz	Eyes, ears, mouth and nose
Todo mi cuerpo baila así	All my body dances this way
Baila así	Dance this way
Yo muevo mi cuerpo y bailo así	I move my body and I dance this way

Cabeza, brazos, piernas y pies	Head, arms, legs and feet
Piernas y pies	Legs and feet
Ojos, orejas, boca y nariz	Eyes, ears, mouth and nose
Todo mi cuerpo nada en el mar	All my body swims in the sea
Nada en el mar	Swims in the sea
Yo muevo mi cuerpo y nado así	I move my body and swim that way

Cabeza, brazos, piernas y pies	Head, arms, legs and feet
Piernas y pies	Legs and feet
Ojos, orejas, boca y nariz	Eyes, ears, mouth and nose
