

Primary Spanish Distance Learning Plan

Week 7: May 11-May 15, 2020

Queridas familias,

I am enjoying seeing your children every week on Zoom. We sing some Spanish songs, read a book, and repeat the poems the children learned during the first semester. Please note the times below for additional Spanish lessons via Zoom. This week, we are going to sing a song about the days of the week. [Click here to view the “Los Días de La Semana” song](#) and follow along with the lyrics below.

Gracias,

Señora Lopez
