

Primary Spanish Distance Learning Plan

Week 8: May 18- 22, 2020

Queridos niños y familias:

I hope that all of the mothers had a wonderful “Dia de las Madres.” May you and all of your family stay healthy and safe during this time.

This week, the children are learning some new words and phrases. Follow along with this song, [¿Qué es esto?](#) The children should listen to the words and phrases 2 or 3 times and then repeat them out loud. Afterward, children can review their primary colors and numbers with the activity below.

Gracias,

Señora Lopez

“¿Qué es esto?”

¿Qué es esto?

Es mi avena.

¿Qué es esto?

Es la escuela.

¿Qué es esto?

Es mi libro.

¿Qué es esto?

Es mi casa.

¿Qué es esto?

Es mi cama.

¿Qué es esto?

¿Qué es esto?

“What is this?”

What is this?

It is my oatmeal.

What is this?

It is the school.

What is this?

It is my book.

What is this?

It is my house.

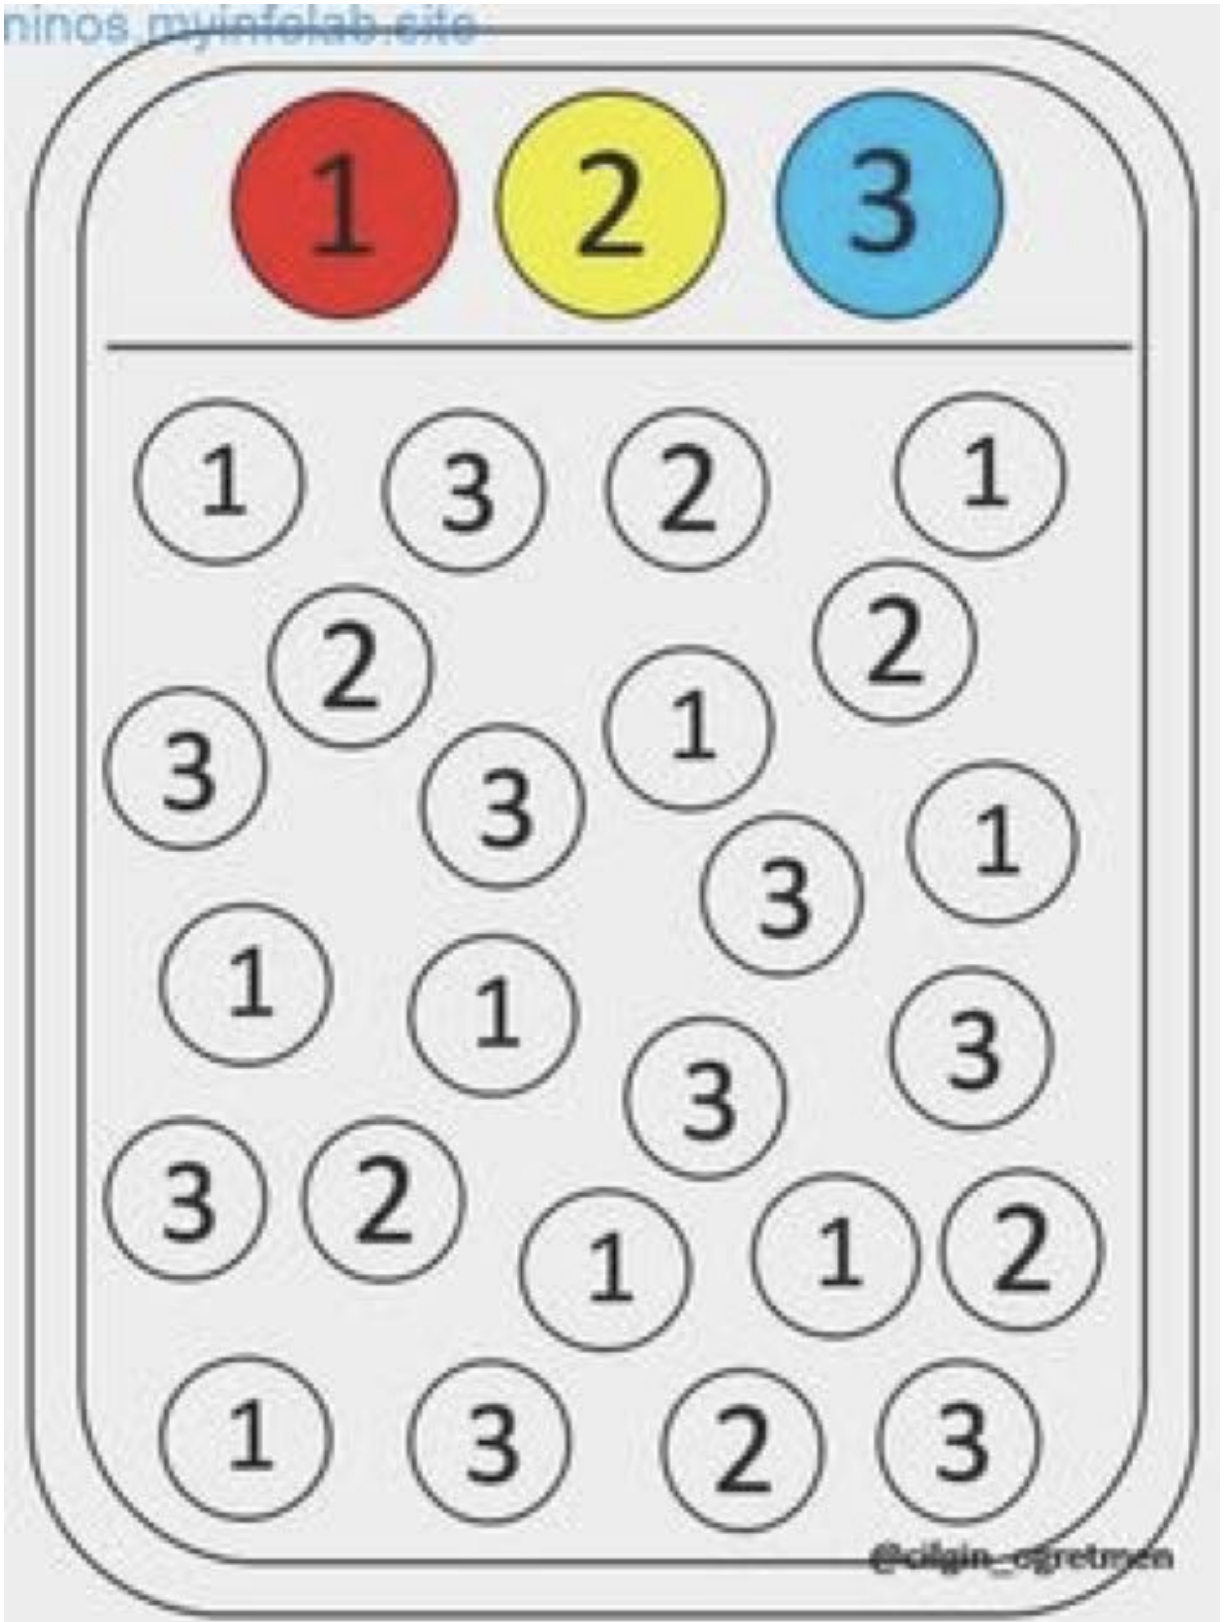

What is this?

It is my bed.

What is this?

What is this?

The next exercise is for the children to practice numbers and colors together. They have to follow this pattern: 1 uno = rojo, 2 dos = amarillo, 3 tres = azul
