*Come join Miss Amy for a fun filled class of music, movement and play! We will focus on four key areas that help in the all-round development of children; Music, Movement, Rhythm and Dance. Music in young children's lives not only develops concentration, memory and listening skills but singing songs will help children in learning speech patterns and develop vocabulary. Music education is the brain's equivalent of a full body workout, stimulating the growth of neurons and enhancing the brain's potential in ways we are just starting to understand!*

*Children in our program will have fun singing, dancing, finding the beat, learning about song form, and much more. We will use rhythm scarves, shakers, drums, sticks and the parachute to explore musical themes and fundamentals. The last part of each class is when children PLAY various instruments. We provide all the instruments. Ranging from small ukuleles, and jingle bells to tambourines and drums. Come join the fun!*
